

2012 Kansas Football Parking

Parking Lot Preferences due April 20, 2012

1- INDICATE below which lot(s) you would like for the 2012 football season based on your Williams Education Fund membership level.
2- RETURN this completed form to the Kansas Athletics Ticket Office by **April 20, 2012**.
3- PASSES will be sent with tickets in late July.

Account Number: _____

Name: _____

Parking prices have not been set but you can still complete your 2012 parking preference form. Please note that the KU Parking and Transit Department sets parking prices, and that office receives all revenue from parking fees. Kansas Athletics receives no revenue from parking passes. Once parking prices have been set, your account will be billed the appropriate amount.

Parking passes will be allocated based on membership level and then priority points within each membership level. Parking passes will be filled on a priority basis. **Orders with multiple parking passes may likely be separated into different parking lots, which does include lots near Allen Fieldhouse.** Based on demand, a limit may be imposed on all orders. All orders are subject to availability. We will make every effort to allocate parking in your selected lots; however, you may be allocated parking in any lot for which you qualify. **Once assigned there will be no refunds or exchanges on parking permits.** There will be shuttle service from lots 54 and 72 to Memorial Stadium.

Parking lot preference forms should be returned to the Kansas Athletics Ticket Office by **April 20, 2012**.
